Get Rid of UGLY PIMPLES this new easy way!

Amazing new medicated lotion developed by a doctor works wonders by clearing up complexion in one week or less!

DON'T let a bad complexion ruin romance, spoil your fun, cause you to be embarrassed, shy or ashamed. If you suffer from *acne*, the common external cause of pimples among young people, try this wonderfully effective medicated lotion that was developed by a practicing physician to clear up his own teen ager's complexion after other methods had failed. It has produced astonishing results for many thousands of others. It is GUARANTEED to help you or it won't cost you a single cent!

Doesn't Show On Your Face

Keraplex is a skin-colored lotion (NOT a greasy salve or ointment!) that is quickly absorbed by the skin and gets right down in the pores where its healing and antiseptic ingredients can go to work. After you have applied it, there is no trace left on the surface. In fact, it makes a perfect powder base for girls and a refreshing after shaving lotion for men . . . actually improves the tone of the skin! It is pleasant and easy to use — leaving your skin soft, clean and fragrant.

Boys and girls—if you have pimples on your shoulders or back, you can avoid embarrassment when they are exposed to view. For Keraplex keeps your shoulders, arms, back and chest wonderfully free from pimples—without soiling clothes, without messiness or greasiness!

Works in SIX Out of SEVEN Cases!

An analysis of RESULTS taken from actual case histories proves that Keraplex is successful in clearing up six of every seven cases of externally caused blackheads and pimples. It tones up the complexion generally, giving it a healthy, radiant glow.

Try This New Method Without Risking A Penny!

Keraplex is GUARANTEED to clear up your skin troubles or there will be NO COST to you whatsoever. If yours happens to be the ONE extra-stubborn case out of seven which Keraplex cannot help in one short week, it will cost you nothing to have tried it. Keraplex is sent to you with that simple, positive GUARANTEE:

SEND NO MONEY

You need send no money with the coupon below. When postman delivers your Keraplex lotion (in plain wrapper marked "Personal"), deposit with him only the modest price indicated below, plus a few cents postage. Then use your Keraplex morning and night for a full week, following the simple directions which will be enclosed.

If you do not SEE RESULTS that delight you — if you are not fully convinced that Keraplex IS clearing up your complexion — just return the empty bottle or unused portion and the purchase price will be refunded in full. Don't delay a single day. The longer you let your skin troubles go, the more difficult it will be to clear them up and get your complexion back to a healthy, clear, unblemished condition! Clip and mail the coupon TODAY. Underwood Laboratories, Inc., Stratford, Conn.

Tale of the Trolley

I'LL bet that you hardly expected to turn to this page and read a story told by a trolley! But that's exactly what I am . . . a long yellow hunk of metal and wood, with windows on the sides and doors in front and back. Of course, some of you may not even know what a trolley is! In many cities I've been replaced by buses and the trolley tracks have been either covered up with tar or cement, or ripped out of the ground completely. Yep, I used to roll along the city streets, my steel wheels grinding over those rails and humming a song. I liked the people who came aboard for a ride downtown or to the beach. I used to be very happy!

Used to be, that is. Things are different now. I'm still built like a trolley, but I certainly am not carrying a pay load any more! No gay kids full of laughter, on their way to the parks or the beach. No satisfied business men reading their morning paper on their way to work. No merry housewives on their way downtown to do some shopping or see an afternoon movie. Nope! Those days are gone forever! The city fathers decided to do away with trolleys in my town and now they're using those ugly, gas-smelling, black smoking buses! Disgusting! You won't ever catch *me* riding around in a bus! Of course it *would* be somewhat of a problem getting me into a bus anyway . . . but if I could climb aboard one, well, you just wouldn't catch me doing it, that's all! Those buses have put me out of business and made my friends forget me, that's what they've done!

Oh, yes, I've been working all right, but not like I used to, not at what I was created for! Oh, the things that have happened to me since my reluctant retirement from passenger service! You'd think I was crazy, simply off my rocker, or off my trolley, as it were, if I told you everything that has happened to me since those sad days when trolleys were put out of action in my town. Well, I'm going to tell you all, and you can judge for yourself whether or not I got a raw deal. BURP! Oops . . . excuse me! Something I ate, no doubt!

Think trolleys don't get food into their systems, eh? You'd be surprised! Let me begin at the beginning, which is usually a good place to begin. Many of my pals on the trolley line were hauled away and chopped up. Their wood was used up in fires here and there. If folks needed some extra wood for free, they just came down to the city dump and gathered the guts of my buddies who had been so rudely axed! The steel parts were sent to mills and melted down into a molten mass, then became part of steel beams which in turn became such things as office buildings, skyscrapers. Those pals, I must admit, did all right for themselves, because they certainly got *up* in the world! No pun intended, but there's one there somewhere!

No such luck for *me!* I had to be bought by some loco character *before* they got the axe to me! Yep, I went into the hands of this receiver in my original form. At first I wondered what was going to happen to me. Now if this creep loved trolleys and hated to see them go, he might have bought me to run on his own private track on his huge estate out in the country. But no such luck, chum! This character wasn't rich, he didn't have a big estate in the country, and he didn't have any particular love for trolleys, so there!

So, you ask, what did the guy want with me then? A natural question which deserves a natural answer. The creep wanted to convert me into a *bus!* A *bus,* mind you! A *bus!* My hated enemy . . . and this creep wanted to convert me into one, he wanted to yet! A *bus!* And how did he plan to achieve this great feat? Always asking those silly questions, aren't you? Well, I've got an answer for you! He intended to have my beautiful round steel wheels removed and replace them with soft, mushy rubber tires. I lost my wheels and found myself standing on rubber tires! Of course I was so used to balancing myself on steel rails that it was almost as if I had to learn how to walk for the first time. And then the guy installed a motor and I was on my way! Way to where? Asking questions again, eh? On my way to Mexico, chum!

It seems they needed buses to take passengers from one sleepy village to another, once a day. They couldn't afford a shiny

new bus, nor even an old run-down bus. But they *could* afford a converted trolley, and that's where *I* came in. So I made the trip to Mexico and began carrying the peasants from one town to another. And boy, did they load them into me! Every seat was filled; there were folks standing in the aisle, and every space on my roof was loaded with people and baggage! BURP! Oops! There I go again! Just a little gas, I think. Well, to get back to Mexico, I stayed down there for a couple of years. I must admit I rendered fine service to the folks, and always got them to their destination on time. Now there's something a smelly old bus wouldn't do. I saw a couple of them down there, and they were always running down; something would break or fall off, and the poor folks were stranded until another bus came along and carried them on their way.

Oh yes, I did have one exciting adventure down there which I will never forget. One day there was a log right smack in the middle of the road, and of course my driver had to stop. But the log didn't get there by itself, chum! Nope . . . it was *put* there, by a bunch of bandits who were hiding in the bushes. When I stopped, they came out with their pistols, whooping and hollering. Well, I don't mind telling you, I was pretty scared, to say nothing of the folks I was carrying. Well, to make a long story a little shorter, those bandits took every peso the passengers had on them! Then they just ran away into the bushes and disappeared. They didn't even remove the log in the road. My driver had to do that himself . . . then he drove on to the next town and reported the incident to the authorities. But I don't think they ever caught up with the banditos! BURP! Oops! There I go again! Guess my insides aren't what they used to be. In fact, I *know* they're not!

Well, as I said before, I was down Mexico way a couple of years. I really didn't mind it too much, but I would have been much happier if I was operating as a trolley instead of a bus! Whenever I managed to catch a glimpse of myself in the window of a store as I passed it, I would see those rubber tires and feel so

ashamed! Me, a trolley what used to have such beautiful shiny steel wheels, moving around on rubber tires! The disgrace of it! Okay, so after two years, the boss got together enough pesos to buy a *real* bus, not a converted job, and I was sentenced to the junk heap. You can imagine how bad I felt! To think that I would end up in a junk pile down Mexico way, so far from my own home town! But that was not to be my destiny after all! A guy came along and bought me, just as I was. No axe for me! He drove me back to the States, into California. As we traveled along a busy highway, I wondered what the guy had in mind. He seemed to have money, so he wasn't going to use me as a passenger bus, because if that was his plan, he could have bought a brand new bus. Surely he wasn't going to use me as a trolley again! Trolleys were out of season, a thing of the past. So what was he going to do with me? I soon found out!

He drove me to an empty lot just off the busy highway. He hired some men to jack me up, and then he removed my rubber tires. A guy came and built a cement foundation under me to hold me up. More guys came and installed a counter and stools for folks to sit on. They installed a stove and a grill . . . and then they loaded me with food . . . hot dogs and hamburgers and coffee and lots of other things! Yep, that's what I've come to! I'm just a miserable lunch room now! BURP! Now you get the picture, eh? The food inside me, the gas stove. Nope, my insides just aren't what they used to be! The shame of it! From a proud trolley, to a converted bus down Mexico way, to a lunch room just off a highway in California! And cement under me! I'll never be able to move around any more! I'm definitely *off my trolley,* chum . . . and I guess *this* is how I'll end my days! BURP! Tsk Tsk! The shame of it! BURP!
